## Hiss Golden Messenger

I Was Born On The Junco River  
Where The Dragon Surely Dwells And Saint George Stood  
With A Mighty Word And Told It Well  
Hey Babe It's Your Birthday  
My Sweet Little One 'Bout 6 Years Old And Truth Be Told  
You're The Only One It's Hard Lord  
Lord It's Hard  
It's Hard Lord Lord It's Hard  
Is Everybody In The Whole Damn Place Just Gotta Have A Good Time  
Ey Na Na Say Biloxi It's Tough All Over  
Ah Houston You Scared Me Sober All Around My Old Hometown I Was Known As A Loner  
Ah You Know I Wasn't Lonely I Just Liked Being Alone  
It's Hard Lord Lord It's Hard  
It's Hard Lord  
Lord It's Hard  
Oh Everybody In The Whole Damn Place  
Just Gotta Have A Good Time  
Ey Na Na Na  
Oohh  
Oohh  
Oohh  
I Was Down By The Junco River  
Where The Dragon Surely Dwells  
And Saint George Stood  
With A Mighty Word And Told It Well  
It's Hard Lord  
Lord It's Hard  
It's Hard Lord  
Lord It's Hard  
There's 1 Way In And 1 Way Out  
We're Gonna Have A Good Time
