

# Wanna Get Up

## Jeremih

Ayy, ayy, ayy  
Ayy, ayy, ayy  
She say she wanna get up  
And play the game like me  
Wanna spend some vital time  
Try to keep it low key  
And wanna get up  
So we can stay up all night  
She fell in love with my ride  
She textin' me like Jeremih  
I wanna chill, I wanna ride  
She lucky I can't deny  
She loved to be so mesmerized
