I Am The Cosmos (Original Version)

Chris Bell

Every night I tell myself,
"I am the cosmos,
I am the wind"
But that don't get you back again
Just when I was starting to feel okay
You're on the phone
I never wanna be alone
Never wanna be alone
I hate to have to take you home
Wanted too much to say no, no,
Yeah, yeah, yeah
Yeah, yeah, yeah
Never wanna be alone
I hate to have to take you home
Want you too much to say no, no
Yeah, yeah, yeah
Yeah, yeah, yeah
My feeling's always happening
Something I couldn't hide
I can't confide
Don't know what's going on inside
So every night I tell myself
"I am the cosmos,
I am the wind"
But that don't get you back again
I'd really like to see you again
I really wanna see you again
I'd really like to see you again
I really wanna see you again
I'd really like to see you again
I really wanna see you again
I never wanna see you again
Really wanna see you again
