

Situation

[Alison Moyet](#)

Blue eyed dressed for every situation
Moving through the doorway of a nation
Pick me up and shake the doubt
Baby I can't do without[Chorus]
Move out, don't mess around
Move out, you bring me down
Move out, how you get about?
Don't make a sound just move out I remember only for an hour
Move right through me, can you feel the power?
I don't know what's going on
It scares me but it won't take long[Chorus] Now he's in control, he is my lover
Nations stand against him, he's your brother
Been a long time, been a long time now
I'll get to you somehow[Chorus]
