

Give Chase

Tegan And Sara

Those windows,
These eyes,
Dont worry, I wont pry
And if you go,
Should I stay?
And if I lie,
Which way?If I love again
And end up just the same,
If I move away,
Will you give chase?
Will you give chase?Those windows,
These eyes,
Dont worry, I wont pry
And if you go,
Should I stay?
And if I lie,
Which way?
Which way?If I love again
And end up just the same,
If I move away,
Will you give chase?
If I love again
And end up just the same,
If I move away,
Will you give chase?
Will you give chase?Will you
Will you
Will you
Will you
Will you
Will you
Will you
Will you
Will you
Will you
