

The Unknown

Imagine Dragons

woman help me
you turn my head in circles
mama blessed me
with magnet eyes for purple
oh so let me show you something good
Pastor, Preacher
I want to say I'm sorry
nice to meet ya
I think my eyes are starry
pledge allegiance to my only
sooner or later it all comes around
hopefully then I will see
after the people and places are gone
you will come back, you will come back to me, to me, to me
you will come back to me, to me, to me
auntie Mara I think you know my reasons
I was a product of everything in season
oh so heavy
set me free again
oh my papa
if all the world could know you
you could stop a thousand wars across the globe
oh I miss ya
show them something good
sooner or later it all comes around
hopefully then I will see
after the people and places are gone
you will come back, you will come back to me,
to me, to me
you will come back to me, to me, to me
to me, to me
we all are living in a dream
but life ain't what it seems
oh everything's a mess
and all these sorrows I have seen
they lead me to believe
that everything's a mess
but I wanna dream
I wanna dream
leave me to dream
I know all your reasons
to keep me from seeing
everything is actually a mess
but now I am leaving
all of us were only dreaming
everything is actually a mess
we all are living in a dream
but life ain't what it seems
oh everything's a mess

and all these sorrows I have seen
they lead me to believe
that everything's a messbut I wanna dream
I wanna dream
leave me to dream
