

crackbabies

Agents of Satan

Had another breakdown, had another day
Do you want to be around? Do you like it baby?
Do you like it baby? Do I do it well?
Can you play the baby? Can you even tell? Crackbaby, you're out of time, crackbaby, you're out of time
Crackbaby, you're out of time, crackbaby I don't wanna come down to face another day
Are you gonna break down? Do you like it baby?
Do you like it baby? How you like it baby?
Are you killing yourself? It's too late Crackbaby, you're out of time, crackbaby, you're out of time
Crackbaby, you're out of time, crackbaby, you're out of time
Crackbaby, you're out of time, crackbaby, you're out of time
Crackbaby, you're out of time, crackbaby Crackbaby out of time, crackbaby out of time
Crackbaby out of time, crackbaby, crackbaby Crackbaby, you're out of time, crackbaby, you're out of time
Crackbaby, you're out of time, crackbaby, you're out of time
Crackbaby, you're out of time, crackbaby, you're out of time
Crackbaby, you're out of time, crackbaby
