Move On

Puggy

We're born strangers
Notes and whispers
Composed by the hands that made us
Time can't save us
Neither could magic or make-up
Soon they'll make a soul out of numbers
Then we will
Live forever
Or we'll die trying
We will live forever
(Codes and lines infinite time
Copy yourself to go
Left to download
Right to explode
Find your piece of mind)
We're all strangers
Riddles to a beat we make up
Composed by the hands that made us
Oh, we will
Live forever
Or we'll die trying
We will live forever
(Codes and lines infinite time
Copy yourself to go
Left to download
Right to explode
Find your piece of mind)
Codes and lines infinite time
Copy yourself to go
Left to download
Right to explode
Find your piece of mindTime can't save us
Neither could magic or make-up
Soon they'll make a soul out of numbers
