Pretty Little Eyes

The Presets

Tonight I'll see you
And I'll know just what to say
Tonight you'll be there
And I'll know just what to say

Tonight I'll meet you
And I'll know just what to do
But then I see you
And you split my head in two

With your pretty little face
Your pretty little eyes
Your pretty little legs
Your pretty little smile
Pretty little hips
Your pretty little thighs
Pretty little tits
Your pretty little eyes
Your pretty little

One day I'll see you
And I'll know just what to say
One day I'll see you
And I'll know just what to do

But now I see you
And I want to fly away
Yeah now you're right here
And I don't know what to do

With your pretty little face
Pretty little eyes
Pretty little legs
Your pretty little smile
Pretty little hips
Your pretty little thighs
Pretty little tits
Your pretty little eyes

Your pretty little face

Your pretty little eyes
Your pretty little legs
Your precious little smile
Your pretty little ass
Your juicy little thighs
Your lovely little tits
Your pretty little eyes
Your pretty little

Hey you know, sometimes I go down to the club
See all the beautiful people dancing all around
The pretty girls come up to me
And I don't know what the fuck to do

With your pretty little face
Your pretty little eyes
Pretty little waist
Your precious little smile
Precious little hips
Your juicy little thighs
Your lovely little tits
Your pretty little eyes

Your pretty little face
Your pretty little eyes
Your tiny little waist
Your precious little smile
Pretty little hips
Your juicy little thighs
Your pretty little tits
Your pretty little eyes

Your pretty little face
Your tiny little
