Funky Dory

Rachel Stevens

Yeah
Ohh yeah
(You can get what you want)
I want my love to paint pretty pictures for me
(You can get what you wish for)
Technicolor and super-reality
(You can get what you need)
I'd neither like to be extraordinary
(You can get what you push for)
Ram slam
Woah, ohh
You're a work of pop art
Wanna hang you on the wall
You're funky dory, baby
Baby, that's all
You're a work of pop art
Wanna hang you on the wall
You're funky dory, baby
Baby, that's all
Baby, that's all
(You can get what you want)
A super hero who isn't stronger than me
(You can get what you wish for)
You're never afraid of my sexuality
(You can get what you need)
You're everything that I need from A to B
(You can get what you push for)
Ram slam
Woah, yeah
You're a work of pop art
Wanna hang you on the wall
You're funky dory, baby
Baby, that's all
You're a work of pop art
Wanna hang you on the wall
You're funky dory, baby
Baby, that's all
Everything is beautiful
Tonight

Everything is beautiful
(Tonight)
You're funky dory, baby
(Yeah, yeah)
Wanna hang you on the wall
(Everything is beautiful)
Everything is, everything is beautiful
(You're funky dory, baby)
(Slam wow)
Woah
You're a work of pop art
Wanna hang you on the wall
(Oh, oh)
You're funky dory, baby
Baby, that's all
You're a work of pop art
Wanna hang you on the wall
You're funky dory, baby
(Funky dory, funky dory)
Baby, that's all
You're a work of pop art
(Yeah)
Wanna hang you on the wall
You're funky dory, baby
Baby, that's all
You're a work of pop art
Wanna hang you on the wall
You're funky dory, baby
Baby, that's all
