

# Escapism

## echozone

[verse 1]

Is the groove good to you  
Like when you lose your thing  
Forgetting grits is grocery  
And eggs is poultryMakin a livin against those makin a killin  
Super blackman gotha back  
And is back in the building  
If the prison is that skin you in  
And your cell sittin inside your skull  
They say you cant getaway  
From ya damn self  
When your earth is heaven  
And your world be hell  
Check your head  
Armageddons at the foot of your bedYou aint heard a word i said  
Forget them slacksIm that throwback that  
Threw that throwback  
Back on the racks  
To get my mind backO say can you see  
I get back its still just a black and white tv  
In lyin color brother  
Gots to getaway to the other.[verse 2]  
Never was too good  
Off the top of my headCause i want yall to know  
Exactly what i saidThis so called war in iraq  
Over a thousand dead  
Thats about  
10 a week  
Even as i speak33% of black males in jail  
55% of black students will fail  
85% of black folks forgot  
We were slaves  
Up inside this boxAmerica got folks brains on lock  
Forget the connectsSome wanna buy whats next  
Wear it like a sign up in that chestYall should know papa dont take no messIf you think your past is irrelevant  
Dont you know ol soul pays the gt damn rent  
That messiah aint never  
Gonna come as long asYou thinkin freedom  
Is bein free to be dumb[verse 3]

Soul is back  
So flip them hits back  
Damn the fashion  
I wanna know wheres the passion Thinkin we came a long way baby Sayin poor michael's psycho  
And prince he's crazy But what has bob mick sir paul  
Done for you lately How they maintain on your brain  
Seems to escape me Heard some ghetto cats  
Dont like metal rap Hear it and fear it  
And they think it's wack They dont even know that the blues is black  
And when i rap is back to the roots Where i be at Not some 30 year old who dont know facts  
Whos wild sayin things like some juvenile Remember 2 million black folks in the penile  
Got a world of whitefolks  
Thinkin its style Think im hatin cause you lack the information  
Cause we the fbi still gots on file
