Everything But Sorry

Willy Porter

[Verse 1]
I claim ownership of things that are not mine
I'm a thief, I'm a thief, I'm a thief, that's right
I stumble in the darkness and I waltz the jagged line
I'm a drunk, I'm a drunk, I'm a drunk, that's right

If I lie to you, and look you in the eye
Please don't say you never did that to me
What a hypocrite you are sometimes
When you smile and point your finger at me
And say that I'm...

[Refrain]
Everything, everything, everything, but sorry

[Verse 2]
Like a boulder, like a stone, like a freak who walks alone
down the alleys and the backways
I've been bitchin', I've been poor, a savior and a whore
depending on what you needed that day

I've been standard, I've been rare, I've had to bullshit unprepared
Had my heart overwhelmed with joy
I scraped my knees, and I was stung by bees
I swore were tryin' to nest in your hair
Oh girl now you're...

[Refrain]
Everything, everything, everything, but sorry
Yeah you're everything, everything but sorry

[Bridge]
And it makes me feel so sad
when I see the love we had
I would let it fade to black
Black

If this is our last call, why do I hear your voice through the wall?
I hear voices

[Outro]
Take away the laughter, take away the tears
Take away the caster in a way the candle smears
Across the back of my retina hmmmm...
I will remember you, I will remember you

[Final Refrain]
Cause you're everything, but sorry
Yeah you're everything, everything but sorry
But sorry
I'm sorry
