Anything Is Possible

Heart

There are times in your life
They take you by surprise
You and I, I know we can talk about it
You're important to me
Like the air that I breathe
You and me, I know we can talk about itWhen my conscience comes undone
I unfold and morning comesI know you're my friend
Hold on and transcend
I know anything is possible
I don't ask for much
Just show who you are
And I'll know anything is possibleThere's a shadow of doubt
Turning you inside out
What you reveal can make you so strong
Tell me where is the proof?
Does it lie in the truth?
I believe we can be anyoneWhen my conscience comes undone
I awake and morning comesI know you're my friend
Hold on and transcend
I know anything is possible
I don't ask for much
Just show who you are
I know anything is possibleI wanna know all about you
I wanna know all about you
I wanna love you
I wanna know all about you
I wanna know all about you
I wanna feel youI know you're my friend
Hold on and transcend
I know anything is possible
I don't ask for much
Just show who you are
I'll know anything is possibleI'll know anything is possibleLet me know what you want
Let me know what you need
If you hold on to him
You can do anything, babyI wanna know all about you
I wanna know all about you
I wanna know all about you
