

Kerosene

Mad at Gravity

Excuse my ignorance,
But isn't this what men strive lifetimes for?
The price is high, but consequence
Of spinelessness will cost much moreKerosene...
Carry me...If my faith gives way I have nothing.
Nothing.
If I lose my grip I've gained none at all.Excuse my arrogance,
But where do you think inspiration lies?
Hate the life, love the depth
Shovels can't be sanitizedKerosene...
Carry me...If my faith gives way I have nothing.
Nothing.
If I lose my grip I've gained none at all.
