Ween

Got an awesome sound goin' down
Got an awesome sound goin' down
Got an awesome sound goin' down
Got a pork roll, egg, cheese and bacon Stop the tape here Got an awesome sound goin' down
Got an awesome sound goin' down
Got some, got some
Awesome sounds goin' down Alright, lay it on me Awesome sound goin' down
Got an awesome sound goin' down
Got an awesome sound goin' down
Got a pork roll, egg, cheese and bacon Oh, oh, yeah, baby, hit me again, stop it
Hit me again, oh, yeah, hit me again, stop it
Hit me again, oh, oh, hit me again
Hit me again, oh Got an awesome sound, it's goin' down
Got this awesome sound, it's really goin' down
Got this really fuckin' awesome sound Hit me, hit me, hit me again
Oh, oh, hit me one more time Oh, awesome sound goin' down
Awesome sound goin' down One more time, hit me
