Stand Up and Scream

Aaron David

Iâ€™m not gonna stand here and watch the world go right on by
Iâ€™m not gonna stand for injustice all around me
Iâ€™m not gonna stand down and be overrun by apathy
Iâ€™m gonna stand up and scream, stand up and scream

Whoah oh, oh, oh, oh, oh, we are a revolution
Whoah oh, oh, oh, oh, oh, we are, we are

Iâ€™m not gonna stand by and watch my generation crumble
Iâ€™m not gonna stand around with my pockets in my hands
Iâ€™m gonna stand out and get noticed like a freak show
Iâ€™m gonna stand up and scream, stand up and scream

Whoah oh, oh, oh, oh, oh, we are a revolution
Whoah oh, oh, oh, oh, oh, we are, we are

You might try to come take my rights away
You might try to come get all up in my face
But I wonâ€™t bend and I wonâ€™t break â€˜cause Iâ€™ve got His power within me
And I am not alone

Oh, oh, oh, we are the solution
Oh, oh, oh, oh, we are, we are

Whoah oh, oh, oh, oh, oh, we are a revolution
Whoah oh, oh, oh, oh, oh, we are, we are!
