# Elijah's Song

## Neil Diamond

Got a rock and roll ditty
From the heart of the city
To a country lane far away
Drums are beatin'
And the bass repeatin'
And it rocks you to sleep just the sameSleep, safe and warm
Dream cares be gone
You know that it won't take long
We'll be singin' Elijah's song
Singin' Elijah's songYa' got a rock and roll daddy
And you make him so glad
He's got a smile
A mile across his face
Movie star mom
Gonna keep you safe from harm
And she'll do it with style and graceSleep, safe and warm
Dream cares be gone
You know that it won't be long
We'll be singing Elijah's song
Singin' Elijah's song
