Grace Under Pressure

James Curley

Grace under pressure
Cooling palm across my brow
Eyes of an angel
Lay me down
Grace under pressure
Cooling palm across my brow
Eyes of an angel
Lay me down
Grace under pressure
Cooling palm across my brow
Eyes of an angel

Lay me down
Grace under pressure
Cooling palm across my brow
Eyes of an angel
Lay me down
We still believe in love so fuck you
We still believe in love so fuck you
We still believe in love so fuck you
