

# Grace Under Pressure

James Curley

Grace under pressure  
Cooling palm across my brow  
Eyes of an angel  
Lay me down  
Grace under pressure  
Cooling palm across my brow  
Eyes of an angel  
Lay me down  
Grace under pressure  
Cooling palm across my brow  
Eyes of an angel  
Lay me down  
Grace under pressure  
Cooling palm across my brow  
Eyes of an angel  
Lay me down  
We still believe in love so fuck you  
We still believe in love so fuck you  
We still believe in love so fuck you
