

What?

A Tribe Called Quest

Babies babble on, they lookin for excuses
Game for the buzzer who kicked it to the losers
Lame as a brain, could be, golly gee
If you see a shrink he'll charge you a fee
If you see me ya see the fee is nothing
(Fee will be for patience) all that's no fronting
What is a party if it doesn't really rock?
What is a poet? All balls, no cock
What is a war if it doesn't have a general?
What's channel nine if it doesn't have Arsenio?
What is life if you don't have fun?

What's Alex Haley if it doesn't have roots?
What's a weekend if you ain't knocking boots?
What's a black nation, without black unity?
What is a child who doesn't know puberty?
What is my label when I exit boom status?

What is sex when you have three people?
What are laws if they ain't fair and equal?
What's Clark Kent without a telephone booth?
What is a liquor if it ain't 80 proof?
What are the youth if they ain't rebelling?
What's Raplh Cramden, if he ain't yelling
At Ed Norton, what is coke snorting?

What is position if there is no contorting?

Chill for a minute, Doug E. Fresh said silence
What is a glock if you don't have a clip?
What's a lollipop without the Good Ship?
