

Do What I Like

2 Unlimited

Come, let me enter in your brain
Yeah, you know how it goes, no pain, no gain
I'm a rough young brother, I care about another
I thank my life to my dad and my mother Searching like a hunter, always into something
You wanna be down? First stop fronting
Please, don't speak, pass me the mic
'Cause no matter what you say, I'll do what I like This is the way I live my life
And there's no need to criticize
This is the way I live my life
No need to criticize 'Cause I do, do what I like
This is my life and I'm satisfied
And I do, do what I like
It's the way I live my life
(Do what you like, do what you like, do what you like) Rumors and lies start from the mouth
People hear little things and they start to shout
You see me on TV or a magazine cover
Lose our bonus, move under cover Living that kind of effect, I'm in demanded
I do my thing when I on demanded
You don't even know how I live my life
Don't point your finger 'cause I'll do what I like This is the way I live my life
And there's no need to criticize
This is the way I live my life
No need to criticize 'Cause I do, do what I like
This is my life and I'm satisfied
And I do, do what I like
It's the way I live my life
(Do what you like, do what you like, do what you like)
Do, do what you like Yeah, don't give a damn
Don't give a damn
(Do what you like)
Don't give a damn
Don't give a damn
(Do what you like)
Come on This is the way I live my life
And there's no need to criticize
This is the way I live my life
No need to criticize 'Cause I do, do what I like
This is my life and I'm satisfied
And I do, do what I like

It's the way I live my life
(Do what you like, do what you like)
This is my life, oh, oh, oh
