Wined and Dined

Syd Barrett

Wined and dined
Oh, it seemed just like a dream
Girl was so kind
Kind of love I'd never seenOnly last summer
It's not so long ago
Just last summer
Now, musk winds blowWined and dined
Oh, it seemed just like a dream
Girl was so kind
Kind of love I'd never seenWined and dined
Oh, it seemed just like a dream
Girl was so kind
Kind of love I'd never seenChalk underfoot
Life I should prove
Dancing in heat
Our love and youWined and dined
Oh, it seemed just like a dream
Girl was so kind
Kind of love I'd never seen
