

# Wined and Dined

[Syd Barrett](#)

Wined and dined  
Oh, it seemed just like a dream  
Girl was so kind  
Kind of love I'd never seen Only last summer  
It's not so long ago  
Just last summer  
Now, musk winds blow Wined and dined  
Oh, it seemed just like a dream  
Girl was so kind  
Kind of love I'd never seen Wined and dined  
Oh, it seemed just like a dream  
Girl was so kind  
Kind of love I'd never seen Chalk underfoot  
Life I should prove  
Dancing in heat  
Our love and you Wined and dined  
Oh, it seemed just like a dream  
Girl was so kind  
Kind of love I'd never seen
