Good Morning Heartache

George Shearing & Mel TormÃ©

Good morning heartache
You are a gloomy sight
Morning heartache
Thought we said goodbye last night
I tossed and turned until it seemed you had gone
But here you are with the dawnI wish I'd forget you
You're here to stay
It seems I met you
When my love went away
Now every day I start by saying to you
"Morning heartache, what's new?"
Stop haunting me now
Can't shake you, no how
Just leave me alone
I've got those Monday blues
Straight through Sunday bluesGood morning heartache
Here we go again
Good morning heartache
You're the one who knew me well
Might as well get used to you hangin' around
Morning heartache, sit downStop haunting me now
Can't shake you, no how
Just leave me alone
I've got those Monday blues
Straight through Sunday blues
Morning heartache
Here we go again
Good morning heartache
You're the one who knew me well
Might as well get used to you hangin' around
Good morning heartache, sit down
