# Around The Block

## Company Of Thieves

I want to know what's been going on, what's around the block
I like to die with the songs I love stuck in my head
Seeming seamless, it was never easy enough
To keep a smile thin while they pushed in the pin
Feeling fearless, it was never easy enough
To figure friends from foes and so the story goes
I want to know what's been going on, what's around the block
I like to die with all the songs I love stuck in my head
I hope to make the most of all those hollow bones we become
I raise a toast to the souls that sang all along
Feeling fearless, it was never easy enough
To keep my feet on the ground and head out of the clouds
I want to know what's been going on, what's around the block
I like to die with the songs I love stuck in my head
I hope to make the most of these hollow bones we become
I raise a toast to the the souls that sang all along
I've been gathering friends to just to make some sounds
Before the ship goes down
I've been making amends by making the rounds
Before the whole world ends
And I've been gathering friends just to make some sounds
Before the ship goes down
I want to know what's been going on, what's around the block
I like to die with the songs I love stuck in my head
I hoe to make the most of all those hollow bones we become
We all coulds raise a toast to the ouls that sang all along
I hope to make the most (Ba da, Ba da)
We all could raise a toast (Ba da, Ba da)
I like to die with the songs I love stuck in my head.
