Nasty Little Perv (Renholder Remix)

Perry Farrell

Nasty little perv.
Nasty as they said you were.
Even your wife leaves town on holiday.
Just to get away from you.Oh you're horrible and undeserving.
Your mac is full of mud and dirt.
He knows, that we know he's a nasty little pervert.
Does some dirty jobs
(Does his dirty jobs)Yeah, you were hard to rid of
You're hard to unattatch.
Even tried to take my dongle.
Oh, but I got my dongle back.The truth is you are undeserving
Oh the things that you type in to search
Oh he knows that we know he's a nasty little pervert
Does some junk jobs
(Does his dirty jobs)Oh you are so undeserving
Oh the things that you type in to search
Oh he knows, that we know he's a nasty little pervert.
Does some dirty jobsDig itI've got my dongle back
I've got my dongle back
I've got my dongle
I've got my dongle
I've got my dongle back.Dongle
Does his dirty jobs
Dongle
Does his dirty jobs
Oh
Dongle
Does his dirty jobs
