

Bang Bang

[Ratham Stone](#)

I'm so sick and tired, Truth is that I keep screwing up, Love never goes my way
I leaned into kiss her, no clue why my lips hit her tongue, and her drink hit my face I thought I'd never see her
again, but this girl could be more than a friend
I had to find her and explain The way my heart goes bang bang it shuts down my body,
Bang bang I act like a zombie that walks, and I can't control my brain,
When my heart goes bang bang it means that I like you,
Bang bang there's nothing I won't do for you, tell me you feel the same,
When it goes bang bang, and it goes bang bang, and it goes bang I'm so sick of trying, cause there's no denying,
it's impossible to win
Red blue and purple flowers, I stood on her porch for hours and then, I guess her address changed I thought I'd
never see her again, but this girl could be more than a friend,
I had to find her and explain The way my heart goes bang bang it shuts down my body,
Bang bang I act like a zombie that walks, and I cant control my brain,
When my heart goes bang bang it means that I like you,
Bang bang there's nothing I won't do for you, tell me you feel the same,
When it goes bang bang, and it goes bang bang, and it goes bang I know I haven't been myself but when I'm
with you I can't explain
And I know that if you weren't around that banging sound inside my chest wouldn't matter anyhow
Cause when my heart goes bang bang it shuts down my body,
Bang bang I act like a zombie that walks, and I can't control my brain,
When my heart goes bang bang it means that I like you,
Bang bang there's nothing I won't do for you, tell me you feel the same,
When it goes bang bang
