Dark & Grey

Kid Rock

1994
Fuck offUnlike me you're gonna run away
Unlike me you'll see another day
Run like me out on the highway
I will ride so far
I'll probably never make it thereI never went to college, I ain't got no skills
I got hair to my shoulders and a bottle of pills
I got bills stacked up like a turkey club
I blew my last dime drinkin' at the local pubBut I am not sunshine, I am dark and grey
For this life of sins I live, each day I pay
But I am not Jesus but I died in vain
For only to relive each day I'll payUnlike me you're gonna run away
Unlike me you'll see another day
Run like me out on the highway
I will ride so far
I'll probably never make it thereRock, rock y'all
To the beat y'all
Check it out y'all
You can't stop y'allRock, rock y'all
To the beat y'all
Check it out y'all
You come alive y'all
Come onI never felt at home although I grew up loved
I got a junkies mind in a ramblin' man's blood
Got a flood full of thoughts that's caught in a dam
Somedays I'm gone but that's where I amI'm fit to slip another rippin' rhyme
I'm so ahead of the game, I feel left behind
Another dime to boost, I got boots of lead
Hope I live to see this virus spreadBut I am not sunshine, I am dark and grey
For this life of sins I live each day I pay
But I am not Jesus but I died in vain
Only to relive each day I payUnlike me you're gonna run away
Unlike me you'll see another day
Run like me out on the highway
I will ride so far
I'll probably never make it there
