

Back To School

The Bopcats

So run, right, right back to school
Check it Look back, I sift through all the cliques
Roaming the halls all year, making me sick
While everyone's out tryin' to make the cut
(What?)
And when you think you know me right I switch it up Behind the walls smokin' cigarettes and sippin' vodka
I hop a fence and catch a cab, ain't no one can stop us
Give me a break about some other mess
(What were you?)
Act like it's everything you got Push back the square, now that you need her
But you don't, so let you go
'Cause back in school, we are the leaders of it all So stop that, quit, all that, quit
Who ruined it? You did! Now grab a notebook and a pen
Start taking notes, I'm being everyone who's on the top
You think we're on the same page but, oh, we're not I'll be the man, watch your backpacks, pen and pencils
Just like he now flippin' it, why you just keep it simple?
You just can't go on wrong rocking' the clothes, coppin' the stance
'Cause we'll release everything that you're not Push back the square, now that you need her
But you don't, so let you go
'Cause back in school, we are the leaders of it all So transpose or stop your lies
It's what you do
Transpose or stop your lies
So run Why don't you run, so why don't you run?
So why don't you run back to school?
So why don't you run, so why don't you run? All you are
(Now I'm on the next page)
All you are
(It's time to close the book up)
All you are
(Yeah I'm on the next page)
All you are
(Close the book up now) Push back the square, now that you need her
But you don't, so let you go
'Cause back in school, we are the leaders of it all
We are the leaders of it all, we are the leaders of it all So run
So why don't you run?
So why don't you run?
So why don't you run back to school?
So why don't you run?

So why don't you run?
