

When I Dream at Night

Marc Anthony

I have been in love and been alone
I have traveled over many miles to find a home
There's that little place inside of me
That I never thought could take control of everything
But now I just spend all my time with anyone
Who makes me feel the way she does 'cause I only feel alive when I dream at night
Even though she's not real it's all right
'cause I only feel alive when I dream at night
Every move that she makes holds my eyes
And I fall for her every time I've so many things I want to say
I'll be ready when the perfect moment comes my way
I had never known what's right for me
Till the night she opened up my heart and set it free
But now I just spend all my time with anyone
Who makes me feel the way she does 'cause I only feel alive when I dream at night
Even though she's not real it's all right
'cause I only feel alive when I dream at night
Every move that she makes holds my eyes
And I fall for her every time Now I just spend all my time with anyone
Who makes me feel the way she does 'cause I only feel alive when I dream at night
Even though she's not real it's all right
'cause I only feel alive when I dream at night
Every move that she makes holds my eyes
And I fall for her every time
