Why you wanna hold me down?
Why you wanna keep me back?
You know you're the only one
And you know that's a factBut still, you're so suspicious
Ooh, you're so suspicious baby
You're so suspicious
Ooh, you're so suspicious babyCool out, (cool out, cool out, cool out)

About being in control
You got my mind in bondage
And now you want my soul
I just don't understand honey
Why my love has to be in doubt
You got me so confused boy
On what love is really all about (ooh, yeah, yeah)
Ch) you got me under lock and key (lock and key)
Don't want nobody else to be with me
(open up the door to my heart)
You got me under lock and key (lock and key)
Everything you do is full of jealousy
(anything you do to my heart, yeah, yeah)
