Last Kiss

Ishtar

Desert has call out my name
I should go out there again
So I could hear somebody pray
And prayers will follow me yes

Ya hawa mali m'dounya
Wessnin wannaa mashya
Hayranna fill sahara
Annaa...

[Chorus]
Won't you carry me
Faithfully over the seas
I'll open the sky
To kiss you goodbye
Fly

You gave up and you sacrificed
You wanted to be with the stars
So no one can read in your eyes
But have you said all your goodbyes

Ya hawa mali m' dounya
Wessnin wannaa mashya
Hayranna fill sahara
Annaa...

[Chorus]

Won't you carry me
