

Only You (And You Alone)

[Timi Yuro](#)

Only you can make this world seem right
Only you can make the darkness bright
Only you and you alone
Can feel me like you do
And fill my heart with love
For only you
Only you can make this change in me
For you true you are my destiny
When I hold your hand
I understand the magic that you do
You're my dream come true
My one and only you
