

Faded Pictures (Soul Central Version)

Case

[Verse 1]

She was more than a woman a goddess for all it seems,
And all I ever needed was her right here lovin' me,
For a while we were cool and the groovin' love was on,
But I still remember, how it felt when our love was gone.

[Chorus 1]

In a tattered picture book
Was a photograph she took, years ago,
Secret memories in her mind,
How could love be so unkind, heartbreak time.

[Chorus 2]

Faded pictures in a broken glass,
Like a mirror revealing, what the women is feeling.
Was it someone from a distant past,
Cause its breaking my heart to watch her stare into the glass.

[Verse 2]

As she turned through the pages the tears rolled down her face,
I could see her reminiscing, why her life had to be this way.
Then she stopped then she came to a page where her diary ends,
To smell the scent of old rose, from her lover I suppose.

[Chorus 1]

[Chorus 2]
