

# Try Again

## Big Star

Lord, I've been tryin' to be what I should  
Lord, I've been tryin' to do what I could  
But each time it gets a little harder  
I feel the pain  
But I'll try again Lord, I've been tryin' to be understood  
And Lord, I've been tryin' to do as You would  
But each time it gets a little harder  
I feel the pain  
But I'll try again
