

Stuck On You

The Reunion Show

Oh please, cutie won't you come and meet me
Underneath the elm outside
We'll hug and giggle, maybe our lips will wiggle
Spend the day in sweet delightMy mind is so confused
Stuck on you
I want to sit down with you
Stuck on youI got this gut feeling
Stuck on you
If I'm the one for you
Then you'll be the one for meOh sweetie, honey, I don't have lots of money
To shower you with gifts from Brazil
Oh maybe, baby, you know it drives me crazy
When I'm missing time with youMy mind is so confused
Stuck on you
I want to sit down with you
Stuck on youI got this gut feeling
Stuck on you
If I'm the one for you
Then you'll be the one for meMy mind is so confused
Stuck on you
I want to sit down with you
Stuck on youI got this gut feeling
Stuck on you
If I'm the one for you
Then you'll be the one for me
