Fear Of Falling

Robbie Robertson

I wonder where it all began
Was it in a place or in the heart
Was it outside in the pouring rain
In the darkness where the dreaming startsIf I end up begging like a dog
Does it make me any less than you
Why should I stand here and be judged
When we already know the truthThere was a time when I was lost
Couldn't see the woods for the trees
How could I know how much it costs
'Til I was on my kneesFear of falling
Fear of falling
Fear of falling
Down in love again
Down in love againWhy don't we take it from the bottom
See what rises to the top
Sometimes you have to cut the cards
Just to find out what you gotShe has a certain kind of thing
It's called the mystery of desire
Keeps pulling on my heart string
I'm like a man on a wireWhat does it mean to want so much
The way that I'm wanting you
Am I just setting myself up
To play the foolFear of falling
Fear of falling
Fear of falling
Down in love again
Down in love againFear of falling
Fear of falling
Fear of falling
Down in love again
Fear of falling
Fear of falling
Fear of falling
Down in love again
Down in love again
Down in love again
Down in love again
