# Country Comfort

## Keith Urban

Soon the pines will be falling everywhere
As the village children fight each other for their share
And the Six O' Nine goes roarin' past the creek
As Deacon Lee prepares his sermon for next weekI saw grandma yesterday down at the store
Well she's really doin' fine for eighty-four
And she asked me if sometime I could fix her barn
The poor old girl, she needs a hand to run that farmAnd it's good old country comfort in my bones
It's the sweetest sound these ears have ever known
It's just an old fashioned feelin' fully grown
Country comfort and a truck that's goin' back home
Oh it's goin' back homeDown at the well they've got a new machine
The foreman says it'll cut manpower by fifteen
"Hey but that ain't natural", old Clay would say, yes he would
You see he's a horse drawn man until his dyin' dayAnd it's good old country comfort in my bones
It's the sweetest sound these ears have ever known
An' it's just an old fashioned feelin' fully grown
Country comfort and a truck that's goin' back home
Take it home, woo, hmmYeah, it feels so good, woo, hmmAnd it's good old country comfort in my bones
It's the sweetest sound these ears have ever known
An' it's just an old fashioned feelin' fully grown, ha
The country comfort and a truck that's goin' back homeCountry comfort and a truck that's goin' back home
(Home)
Whoa, it's goin' back home, yeah
Hey take me back home, hey, hey
(Home)
And a truck, and a truck that's goin' back home
Any truck
