Rip It Up

Adolescents

Rip it upLike Clockwork Orange a bit of twenty on one
Breakin' heads don't sound like much fun
Is that your only way of gettin', of gettin' kicks
By breakin' heads you know you can'tDo you think you're tough
'Cause you rip it up
Gotta rip you up, gotta rip it up
Gotta rip it up, gotta rip it upHad enough of vi-violence
Just to kill boredom makes no sense
We're not the background for your stupid fights
Get out of the darkness, time to uniteDo you think you're tough
'Cause you rip it up
Gotta rip it up, gotta rip it up
Gotta rip it up, gotta rip it upRip it up
He's gotta rip it up
He's gotta rip it up
He's gotta rip it upHe's gotta rip it up
He's gotta rip it up
He's gotta rip it upRip it up
