Set My Body Free

The White Buffalo

Gonna set my body free
Run down to the river and drown
Gonna see what it's like to get cleanGonna set my soul free
Gonna throw my faith in the fire,
Gonna burn it till the sin ain't real.Come on child, don't you know, right from wrong?
Come on child, don't you know how to get along?Gonna set my heart free
Gonna bury it in fertile ground
Gonna see if it grows up mean
Gonna set my conscience free
Where there ain't no judge in sight
Well it's all just a mysteryDon't you know the answer's in the sky, oh oh
If you believe just let your spirit fly, oh oh
Can't you feel the heavens open wide, oh
Fool, the answer ain't in the sky
It's in the heart of a child
The beauty's there insideGonna set my body free
Run down to the river and drown
Gonna see what it's like to get clean
