

Don't Believe a Word

Thin Lizzy

No, don't believe me if I tell you
Not a word of this is true
Don't believe me if I tell you especially if I tell you
I'm in love with you Don't believe me if I tell you
That I wrote this song for you
There just might be some other silly pretty girl
I'm singin' to Don't believe a word
Words are only spoken
And your heart is like a promise
Made to be broken Don't believe a word
'Cause words can tell lies
And lies are no comfort
When there's tears in your eyes Don't believe me if I tell you
Not a word of this is true
Don't believe me if I tell you especially if I tell you
I'm in love with you Don't believe a word
No no, don't believe a word
Don't believe me, don't believe me
Don't believe me, don't believe me
Don't believe me, don't believe me, oh
Not a single word
Don't you
