

# The Nameless (Live Version)

## Slipknot

Pathetic benign accept it undermine  
Your opinion my justification  
Happy safe servant caged  
Malice utter weakness  
No toleration, invade  
Committed enraged admit it  
Don't condescend don't even disagree  
Destroy decay disappoint delay  
You've suffered then now suffer unto me  
Obsession, take another look  
Remember, every chance you took  
Decide, either live with me  
Or give up, any thought you had of being free(don't go) I never wanted anybody more  
Than I wanted you  
(I know) the only thing I ever really loved  
Was hate  
Anyone no anything yes anyway fall anybody mine  
Anybody tell me  
I want you I need you I'll have you I won't  
Let anybody have you  
Obey me believe me just trust me worship me  
Live for me  
Be grateful now be honest now be precious now  
Be mine just love me  
Possession, feed my only vice  
Confession, I won't tell you twice  
Decide, either die for me  
Or give up, any chance you had of being free(don't go) I never wanted anybody more  
Than I wanted you  
(I know) the only thing I ever really loved  
Was hurting you  
(don't go) I never wanted anybody more  
Than I wanted you  
(I know) the only thing I ever really loved  
Was hate  
Stay inside the hole, let me take control  
Dominate  
You are nothing more, you are something less  
Innocent  
Something has to give, something has to break  
Omnipresent  
Fingers in your skin, let me savage in  
You deserve it(don't go) I never wanted anybody more than I wanted you

(I know) the only thing I ever really loved was hurting you  
(don't go) I never wanted anybody more than I wanted you  
(I know) the only thing I ever really loved was hate You're mine (I know who you are)
