

# Stranded

## Heart

Standing here helpless  
Where do I go if you leave me alone?  
Where do I turn now if it don't work out?  
As far as I can see, this isn't the way that you said, it would be  
Don't leave me like this, don't leave me stranded  
If you walk away now, you leave me empty handed  
Don't leave me like this, don't leave me stranded  
Don't leave me now, don't leave me  
Wasn't it you who brought me here to the place lovers go  
Just look at these arms reachin' out to you  
You said that you'd always care  
I just turned around and there's nobody there  
Don't leave me like this, don't leave me stranded  
If you walk away now, you leave me empty handed  
Don't leave me like this, don't leave me stranded  
Don't leave me now  
You said that you'd always care  
I just turned around and there's nobody there  
Don't leave me like  
Don't leave me like this, don't leave me stranded  
If you walk away now, you leave me empty handed  
Don't leave me like this, don't leave me stranded, stranded  
Don't leave me like this, don't leave me stranded  
If you walk away now, you leave me empty handed  
Don't leave me like this, don't leave me stranded, stranded  
Don't leave me like this, no  
Don't leave me like this, yea  
Don't leave me, baby
