

You Don't Stand a Chance

Amanda

Compared to a day of sunshine
Compared to the favorite song of mine
When I'm hangin' with my girls in the summer time
Would I choose you or the friends of mine? I had seen you looking at me on our way to school
And I watched you too, you were looking kinda cute
With your [unverified] and your eyes
I just couldn't help myself, I walked up to you You said, "Hey girl, what's up"
We went dating, you took me to the movies
And you held my hand on our way home
You gave me a kiss and a beeper Then you smiled, "You said now I can be sure
That I'll reach my girl, 'cause you rock my world" Don't get me wrong, we have a good thing
It's not like I'm not thinkin' of you
But you're not my everything Compared to a day of sunshine
You don't stand a chance
Compared to the favorite song of mine
You don't stand a chance When I'm hangin' with my girls in the summer time
You don't stand a chance
Would I choose you or the friends of mine?
You don't stand a chance Your friend told me that I'm the only thing you've been thinkin' of
He said you've been goin' on about how we're so deep in love
And how I sit around just waiting for you to call
Boy, you're off the wall Don't get me wrong, our thing is good fun
It's not like I'm at home everyday
Just waiting by the phone Compared to a day of sunshine
You don't stand a chance
Compared to the favorite song of mine
You don't stand a chance When I'm hangin' with my girls in the summer time
You don't stand a chance
Would I choose you or the friends of mine?
You don't stand a chance Compared to a day of sunshine
You don't stand a chance
Compared to the favorite song of mine
You don't stand a chance When I'm hangin' with my girls in the summer time
You don't stand a chance
Would I choose you or the friends of mine?
You don't stand a chance Don't get me wrong, we have a good thing
It's not like I'm not thinkin' of you
But you're not my everything
Oh hey ho, hey ho, hey ho Compared to a day of sunshine

You don't stand a chance
Compared to the favorite song of mine
You don't stand a chance When I'm hangin' with my girls in the summer time
You don't stand a chance
Would I choose you or the friends of mine?
You don't stand a chance Compared to a day of sunshine
You don't stand a chance
Compared to the favorite song of mine
You don't stand a chance When I'm hangin' with my girls in the summer time
You don't stand a chance
Would I choose you or the friends of mine?
You don't stand a chance Oh, you don't stand a chance
Oh, oh, you don't stand a chance
Oh, you don't stand a chance
