# One Holy Bible

## Reagan Youth

Pray to this holy idol
One holy Bible, one holy God
All you must to do is follow
Heaven shall be your reward
All you've got to do is follow
One holy idol, one holy God
All you've got to do is follow
Life and die by the swordBow before this holy idol
One holy idol, one holy God
All you've got to do is follow
And Heaven shall be your reward
Well i see a thousand idols
A thousand Bibles, a thousand God
All I've got to do is follow
But I follow my own lawSee here, a thousand idol
A thousand Bible, a thousand law
A thousand holy Gods to follow
Well, I follow my own law
A thousand holy idol
A thousand Bible, a thousand God
A thousand holy rules to follow
But I follow my own lawA thousand holy idol
A thousand Bible, a thousand God
A thousand holy law to follow
But I follow my own law
A thousand holy idol
A thousand Bible, a thousand God
A thousand holy rules to follow
But I follow my fucking law
