

# Don't Bring Me Down

Sia

Faint light of dawn  
I'm listening to you  
Breathing in and breathing out  
Needing nothing  
You're honey dipped  
You are beautiful  
Floating clouds, soft world  
I can't feel my lips  
I'm going down  
I don't want to change  
I'm going down  
Going down the drain  
Don't bring me down  
I beg you  
Don't bring me down  
I won't let you  
Don't bring me down  
Then all of that's annulled  
And I'm anyone's everyone's  
We are one  
Your face becomes the sun  
And I'm addicted  
To the joy that the little things  
Those little things  
The little things they bring  
I'm going down  
I don't want to change  
I'm going down  
Going down the drain  
Don't bring me down  
  
I beg you  
Don't bring me down  
I won't let you  
Don't bring me down  
So now for restless mind  
I could go either way  
I'm going down  
I don't wanna change

I'm going down  
Going down the drain  
Don't bring me down  
I beg you  
Don't bring me down  
I won't let you  
Don't bring me down  
I beg you  
Don't bring me down  
I won't let you  
Don't bring me down  
I beg you  
Don't bring me down  
I won't let you  
Don't bring me down  
I beg you  
Don't bring me down  
There's nothing left to choose  
And so I fight a war in my head  
Stay the night, protect me
