Neverlight
Into the shadow of my darker side
Where no one finds me
How I die
Is when you save me
Are you terrified enough to watch me goI guard the boundaries of your worldChorus:
Don't make my inside fall apart
A prison I don't need
Where no one even hears your heart
InsanityNeverlight
Forever after in eternal night
I fall to pieces
Did I lie?
To form a proposition
Cast aside in my condition now
Oh I,
I guard the boundaries of your worldChorus 2x:
Don't make my inside fall apart
A prison I don't need
Where no one even hears your heart
InsanitySo far away from meChorus 2x:
Don't make my inside fall apart
A prison I don't need
Where no one even hears your heart
Insanity
