

River (feat. Propaganda)

[Audrey Assad](#)

Seek good, not evil, follow the Lord and live
God will be with you, just as you say He is
Clean up your courtrooms, and all your prisons too
Come join the mourners, and God will weep with you
Let justice roll like a river, roll like a river
Come and deliver, roll like a river
Roll like a river, roll like a river
Come and deliver, roll like a river
He will stand with us, to liberate the poor
Nothing can stop us, our help is from the Lord
Let justice roll like a river, roll like a river
Come and deliver, roll like a river
Roll like a river, roll like a river
Come and deliver, roll like a river
