The Saga Continues

Premo Rice

I beat the block for the fuckin cash
Got hoes selling ass
Got the top, in the fuckin cab
Cruising down the ave
Playa why ya hate
Got ya mad
Bitch Iâ€™m in my bag
I got sauce
Need a fuckin rag
Dripping down my hand
Got that work
In the alley ways
Prostitution pays
On the strip
Imma catch a play
Call me Danny Ainge
Catch a trick
Finessin the day
How much did you say
30 clip, if they try to sneak
Gangsta bitch gone spray eem

Put respect on my fucking name
Legend in the game
Pocket full of hoes
Never change
Raps new Sweet James

x2

Ohh well you wonâ€™t work for me?(bitch)
Ok
I got a bunch of other slutty hoes coming my way
I went to work
With some private pussy out on display
Iâ€™m talking back page pimpin
Pussy on a flat rate
Weâ€™ll break em
