# Alligators Getting Up

## Curve

Grow out of your obsessions
You think you're bad but I'm badder than you
'Cuz mine has come through consideration
While your reaction is nothing new
So go on genius, be who you are
You're so flat and one dimensionalIf you go my way, you won't go wrong
If you find out where you really belong
If you search it out, it'll make you strong
Then you'll go on and on and on and onYou want what's mine but you don't deserve it
One tenth is all you can have
Why care, why share?
Stamp your feet 'cuz life's unfair
Why share, why care?
Stamp your feet 'cuz life's unfairIf you go my way, you won't go wrong
If you find out where you really belong
If you search it out, it'll make you strong
Then you'll go on and on and on and on
On and on and on, on and on and on, yeah
